Technical Rider for Dj Sarah Giggle

Sarah is a USB dj and is happy to perform on any pioneer cdjs with pioneer mixer or controller that has usb compatibility, for a fee she can also bring a compatible controller as follows:

cdj2000 /cdj2000nxs / cdj3000 / cdj900/ cdj900nxs with pioneer mixer.

controllers: xdjrx (rx2 or rx3) / Xdjrr / xdjxz

as long as there are working usb and links if cdjs this is fine.

- Having linked CDJs all running on the most recent Pioneer firmware
- Usb Comaptible and fully functional
- Having booth monitors at ear level
- Having enough space on the stage to perform
- Having a range of acceptable table heights
- Having power sockets for decks, mixer, speaker, controller and spare socket.
