

DJ Sarah G

Dj, Host & Music Curator

Sarah is a London-based DJ and host, Sarah doesn't simply play music, she curates an atmosphere. Renowned for reading and engaging with the crowd, creating seamless, high-energy experiences that feel both effortless and unforgettable. Blending commercial tunes, house, afro house, R&B and disco with effortless precision.

Trusted by names such as **Formula 1, Samsung, Netflix, Stansted Airport, Disney+ and British Airways**, Sarah has performed everywhere from exclusive residencies on London's finest rooftops, **Horizon 22 & The Shard** to international arena stages including **MVM Dome in Budapest 2025, Six Sense Maldives, Jumeirah hotel in Dubai**, along with **Ibiza** among others.

Sarah's signature collection of nine bespoke diamanté headphones, paired with styling tailored to each occasion, ensures every performance is as visually captivating as it is musically refined. Sophisticated, interactive, and impeccably presented, delivering entertainment with impact. She captivates audiences with both style and substance in her performances.

About Sarah

Discover Sarah's journey in the DJ world

DJ Sarah G is an internationally recognised DJ known for her vibrant energy, confident stage presence and ability to create unforgettable atmospheres. She has performed across some of the world's most sought-after destinations, including Ibiza, Dubai, the Maldives and Greece, delivering high-energy sets for luxury venues, global brands and exclusive events. Known for reading the crowd and crafting the perfect soundtrack for every setting, Sarah has built a strong reputation for bringing both professionalism and personality to every performance.

Before stepping behind the decks, Sarah toured professionally as a dancer and performed in fire and aerial shows, developing the dynamic stage presence that now defines her DJ performances. She also previously worked as a radio presenter across London and Manchester, alongside modelling and live TV presenting for major events and car shows. A passionate motorsport enthusiast, Sarah even owned and drifted her own Nissan Skyline R32.

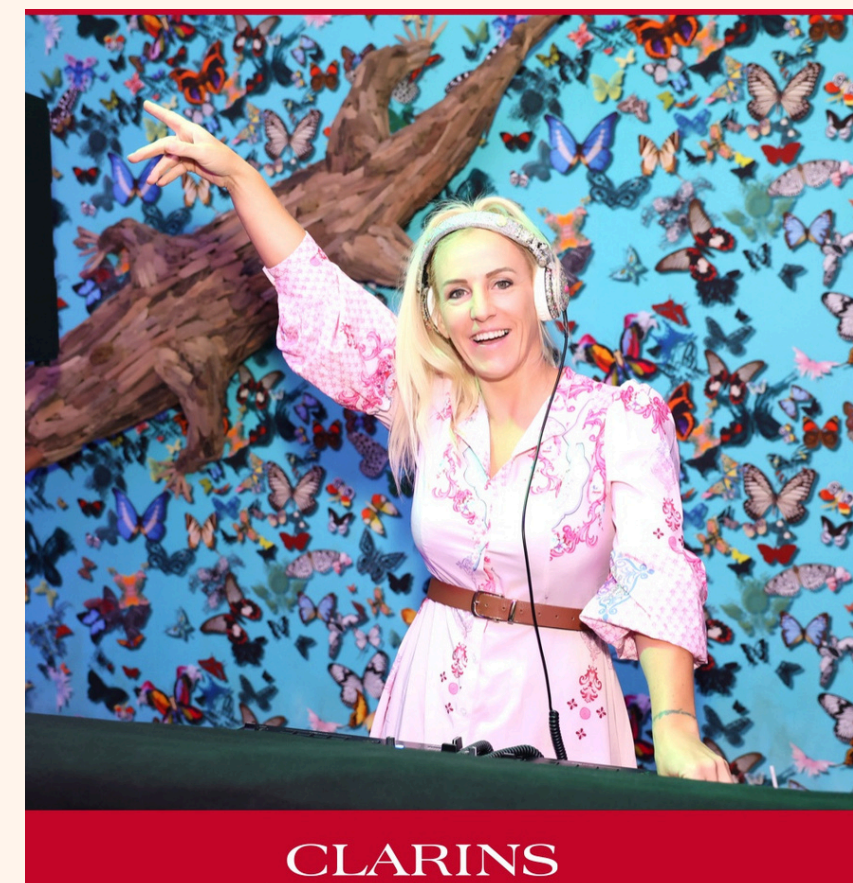

Outside of music, Sarah enjoys an active lifestyle and has competed in horse riding at a high level, while also spending time on the golf course.
