

# SARAH GIGGLE

## ABOUT SARAH

Hailing from East London but now residing both there and Manchester Sarah is a one of a kind, a creative, highly motivated and hugely talented dj and personality, That as they say 'once you've met her, you rarely forget her!'

Sarah was always in the entertainment industry and was a successful model, fire performer and backing dancer prior to djing. Sarah's dj career started late in 2008 when entering a dj competition, never having dj before, finding a true talent and love for the music she worked hard on a music career.

Over 10 years Sarah has worked endlessly holding headline slots at huge Portuguese festivals to over 10k, as well as popular Ibiza hangouts and clubs. Having toured world wide Turkey to India, Dubai to Egypt, even most recently having a residency in the Maldives!

Sarah's client list continues to grow and diversify with product launches, Lfw, big brands to bars booking Sarah to dj, consistently giving every set her best performance delivering an energetic engaging experience for all. Over the years Sarah has also hosted two successful radio shows on both pirate London station Shine and also most recently Manchester's Unity radio. Sarah's infectious personality shines through, along with her perfect presenting ability to quiz her celebrity guests to the listeners delight!

Fast forward to now and Sarah is an in demand dj her vibe is infectious, oozing confidence behind the decks at all times, it's clear this is where she loves to be. Whether it be a club, festival, or private party Sarah instinctively knows how to read the room, from many years perfecting and honing her dj skills as well as her eclectic and dynamic track selection she's always ready to get the party started! From hands on the air house, to winding and grinding rnb and hip hop even a sprinkling of disco Sarah searches high and low to make every set energetic, creative and individual to each and every event and make sure everyone enjoys the vibe.

2019 Random Antix Records was started so that Sarah could release and rerelease some of her original tracks. There are now 6 releases to the label steadily making progress and more to come through out this and next year! Rolling heavy bass lines and catchy vocal stabs Sarah is working hard to be a stand out talent in the music industry.
